

Application No.: 09/988,292

Docket No.: PF160D2

Remarks

Applicant's attorney had a telephonic interview with the Examiner on October 30, 2003, at which time it was agreed that the Examiner would prepare an amendment amending claims 44 and 80 to read as amended above. A review of the Examiner's Amendment dated November 13, 2003, however, shows that the word "present" was inserted in line 4 of both claims, rather than the word "presence". It is respectfully requested that the present amendment of claims 44 and 80 be entered so that the claims conform to the wording approved by Applicant's attorney in the telephone interview of October 30, 2003.
